EASY UPSIDE DOWN OREO CAKE

Ingredients

40-50 Oreo cookies

1 cup of milk

16 oz. of cream cheese

3 1/2 cups of cool whip thawed

2/3 cups of sugar

2-3 cups of strawberries

Instructions

1. Separate the cream from the Oreos. place cookies onto a plate & creams into a bowl
2. Line a 2-quart mixing bowl with plastic wrap.
3. One by one, dip the separated into the milk & place around the bowl
4. In a medium bowl, mix cream cheese & sugar until smooth
5. Add oreo cream, use hand mixer to mix until well blended, then add cool whip & mix
6. Spread cream mixture on top of oreos in bowl, follow with another layer of oreos, then cream & strawberries, keep layering until you reach the top, ending with oreos
7. Cover the bowl with plastic wrap & refrigerate for atleast 4 hours
8. Remove the plastic wrap on top of oreos, place a plate on top. Gently invert the bowl onto the plate. Slowly lift the bowl with plast wrap. Cut and serve.
